COMMUNICATION CATALYST CARDS

Adaptable & Functional

This product spans all levels—from nonverbal communication to short utterances to long explanations. Interesting questions and thought-provoking situations provide starting points and practice for functional verbal skills. Excellent for encouraging interaction, questioning, forming personal opinions, recalling life events, word retrieval, explanations, quick thinking, planning, follow-up questioning, formulation, and social communication. Adaptable for clinicians and usable for family members.

Communication Catalyst Cards

Cards to support and encourage conversational interaction for adolescents and adults at all levels of ability

Susan Howell Brubaker, MS, CCC-SLP
Carolyn Doty, MA, CCC-SLP
