

BRUBAKER BRAIN BOOSTERS

IF/THEN PUZZLE

Directions: Read each question and pick the answer and put the answer on the lines below.

1. If possums and rats are animals, put a T on line 4. If only 1 is an animal, put a T on line 3.
2. If 6 times 4 equals a number more than 26, put an E on line 3. If 26 divided by 6 is more than 4, put an E on line 8.
3. If hip-hop music came before rock and rock, put an R on line 6. If rock and roll came before hip-hop, put an N on line 3.
4. If a pentagon has 6 sides, put a U on line 8. If a hexagon has 6 sides, put a U on line 7.
5. April comes between 2 months beginning with M. If this statement is true, put a C on line 1. If it is false, put an A on line 5.
6. Put the letter that was the answer to number 3 on line 6.
7. Put the 5th letter of the word RAINING on line 5.
8. Put a vowel that is not in the following sentence on line 2: *This is the last sentence.* If you picked the correct vowel, you have spelled an 8-letter word.

1 2 3 4 5 6 7 8

(answer: CONTINUE)
