

BRUBAKER BRAIN BOOSTERS

Stretch Your Brain

Have fun with some unusual questions. They can be answered on paper, out loud, or as part of a group activity. For more of a challenge, think of 2 answers.

1. Pick 3 farm animals and say them in order of size from small to large.
2. What are 2 states that end with the same letter?
3. Name 3 things you could walk or jump over according to how high they are.
4. Name 3 desserts you could eat with your fingers.
5. What are 2 animals that are between a tiger and a fox in size?
6. Name 2 things that grow that are always green and 2 that are never green.
7. Think of 3 rhyming words and use them in a sentence of 5 or more words.
8. Rank 3 places in America you have not seen by how far they are from you.
9. What are 3 shapes with more than 3 sides?
10. Make a sentence of 4 or more words in which all words begin with "L."
